SPA 103
Beginning Spanish for heritage students

If you grew up in an environment where Spanish was spoken frequently by family or relatives and are oftentimes capable of understanding spoken Spanish but encounter difficulties in producing the language, this is the right course for you.

TTH 10:30-11:45am

This course uses ZERO COST textbook

Develop your Spanish in a confidence-building environment
✓ conversational skills
✓ expand vocabulary
✓ strengthen listening abilities
✓ learn more about Spanish written language
✓ reading skills
✓ focus on cultural heritage

This course satisfies the second language requirement in the same way as regular Spanish courses do
