ASU Study Abroad Office Scholarships and SILC Scholarships

Studying abroad is an investment in your future. Like any other type of investment, it requires careful planning and management. However, the personal, academic, and professional rewards that you will gain from this experience will last a lifetime. You should carefully consider costs, budgets and financing when selecting and preparing for your experience abroad. If you have questions at any step of the process, we encourage you to reach out to your International Coordinator for guidance
